

INNER PLANES

Travel

Portal: a doorway to and from Sigil, requiring a key

Gate: doorway between the Outer Planes ●●

Conduit: wormhole-like connection that links a layer of a plane in the Outer Planes with another layer or with the Prime Material Plane by traveling through the Astral Plane ■

Vortex: a passage between an environmental extreme on the Prime Material Plane and the corresponding Elemental Plane or between Elemental Planes by traveling through the Ethereal Plane ■

Denizens

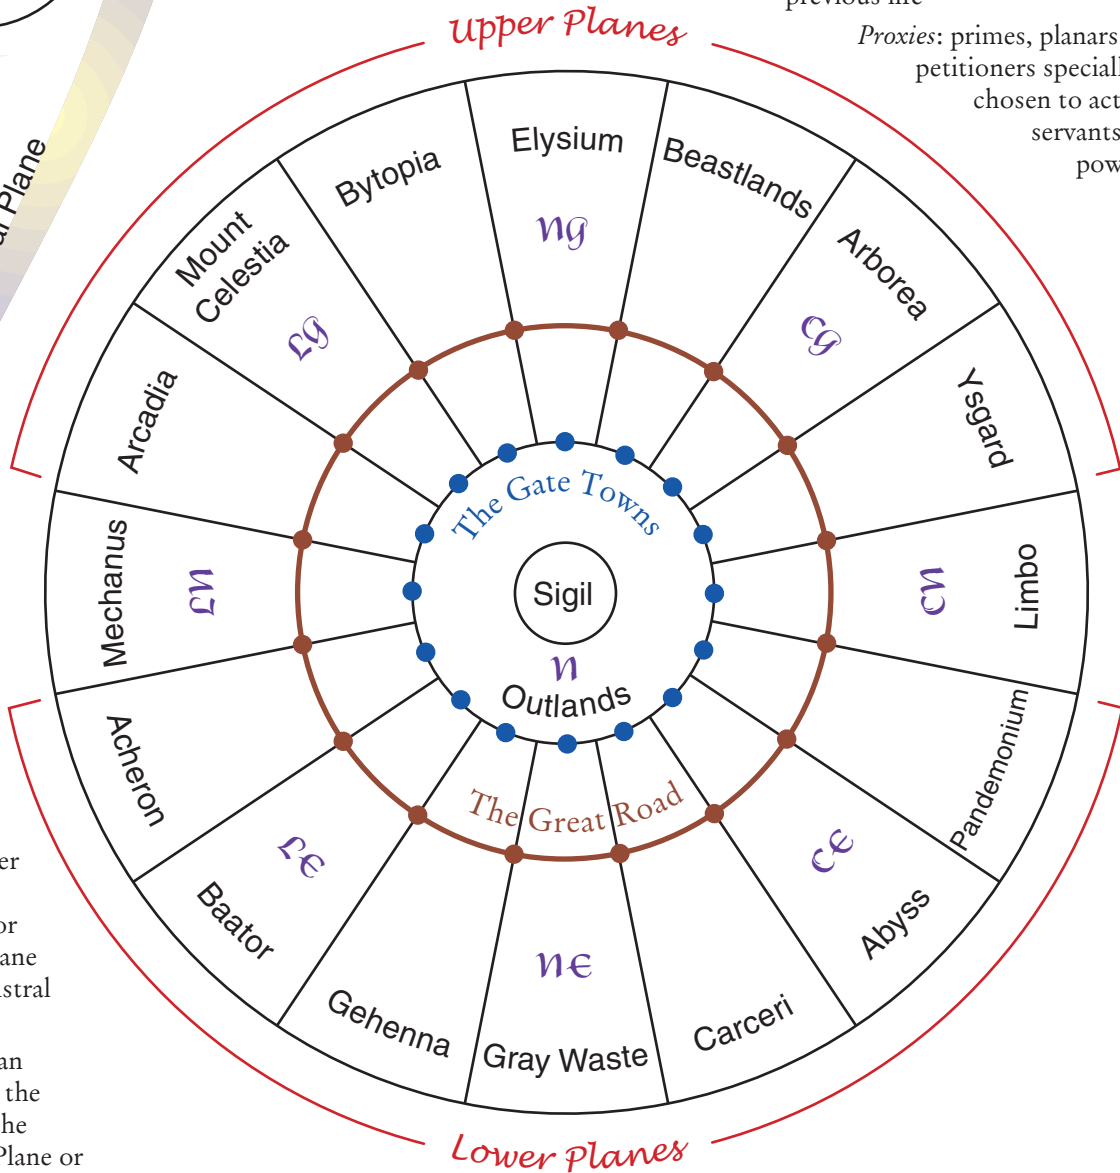

Powers: the deities that preside over the planes

Primes: mortals born on the Prime Material Plane

Planars: mortals born on the Outer and Inner Planes

Petitioners: departed spirits of primes and planars whose bodies reformed on the plane that matches their previous morality or devotion, without memories of their previous life

Proxies: primes, planars or petitioners specially chosen to act as servants of powers

OUTER PLANES
